More information
※1. All processing times for mail in the destination country are local times in that country.
※2. The forwarding and delivery information in the destination country shall be processed and transmitted by the postal service of the destination country in accordance with regulations.
※3. For sea and land parcels sent overseas (including returned parcels), the shipment will be made after the shipping company has filled the container. The estimated arrival time is calculated from the date of departure, not from the date of shipment (or return).
※4. For flight safety reasons, we will cease providing flight information for all types of international mail import and export starting today.
※5. Clicking on the hyperlink of the processing agency's name will allow you to view detailed information about the processing agency.
